The School

ASM is an independent, co-educational college preparatory day school with a state-of-the-art campus located south of Milan. The school's mission is to ensure a modern and rigorous education for international students to excel in the changing world of tomorrow. Founded in 1962, ASM has been educating international students from more than 50 countries for more than 50 years. ASM provides instruction in English for students from 3 years of age through high school with its American/international program of studies. The school is an IB World School that offers the International Baccalaureate Diploma (IBDP). In addition, students are awarded the American School High School Diploma. ASM is also accredited by the Middle States Association of Colleges and Schools (MSA), and is a member of the European Council of International Schools (ECIS) and Mediterranean Association of International Schools (MAIS).

School Calendar

ASM is on a two-semester schedule with semesters that begin in early September and late January. Students are on an eight-period rotating block schedule.

ASM Diploma Requirements

Twenty-two (22) credits in high school coursework are required as a minimum for graduation. A minimum of eight semesters of attendance in high school is also required. Each credit represents one year of work.

Requirements must be earned as follows:

- | | | | |
|------------------|---|----------------------|---|
| • English | 4 | • Foreign Language | 3 |
| • Mathematics | 4 | • Physical Education | 1 |
| • Science | 4 | • Fine Arts | 1 |
| • Social Studies | 4 | • Elective | 1 |

GPA

Owing to the transitory nature of the student body and the divergent schools from which they enroll, ASM does not report a cumulative GPA or class rank.

Co-Curricular Activities

Students can choose from a varied program of sports, cultural events, personal enrichment and service. The activities are often reflective and immersed in the inspiring area surrounding Milan. Among these choices are: a thriving Model United Nations, Motion Picture Arts Studio (Film Studio and Editing Lab), ABRSM Music Program, STEAM program, Senior Wind Orchestra and Rock/Jazz band, Varsity Sports, Yearbook, National Honor Society, two school Theatre Groups, Golf and Rock Climbing and Bouldering.

Curriculum

All high school students are enrolled in a college preparatory program. All junior and senior level courses are taught at the IB level; however, students have the choice to obtain the IB Diploma, IB Certificate, or an American High School Diploma. Currently, 58 out of 66 seniors are IB Diploma Candidates. ASM is a technology-focused school with a one-to-one laptop program from grades 6-12.

International Baccalaureate

ASM strongly believes in offering a balanced, demanding curriculum which is highlighted in our International Baccalaureate Diploma Program. The program emphasizes rigorous college preparatory classes, where external testing is required at the end of the two-year program in six subject areas. These areas include: Language and Literature, Language Acquisition, Individuals and Societies, Sciences, Mathematics and the Arts. IB grading is distributed on a 1-7 scale, with 4 representing a passing score (equivalent to a C+) and 6 and 7 representing outstanding work (equivalent to an A and A+, respectively). In order to receive the IB Diploma, students must fulfill the following requirements:

- Completion of a Theory of Knowledge course
- Completion of a 4,000 word research paper (Extended Essay)
- Completion of the Creativity, Activity, and Service learning program (CAS)
